National News—1965

1 A Wave for Friends—Cuban refugees waved to Cuban exiles on shore as their coast guard cutter approached Key West last fall. Such emotional scenes occurred frequently after Castro announced his "open door" policy, allowing certain groups of Cubans to leave his dictatorship.

2 Pioneer in Space—Astronaut Edward White stepped from his Gemini IV space capsule and into the void of space last June. Maj. James McDivitt, his companion on a 3½-day orbital flight, had to coax White back into the capsule after he had traveled 20 minutes suspended from Gemini IV. Gordon Cooper and Charles Conrad were the next space twins to orbit the earth. They completed their 8-day flight in Gemini V during August.

3 Medicare Bill Signed—President Johnson signed the Medicare Bill into law July 30 with former President Truman at his side. Witnessing the event that had far-reaching effects on Social Security benefits for the elderly were (left to right) Lady Bird Johnson, Vice President Humphrey and Bess Truman. The ceremony was held in Truman Library in Independence, Mo.

4 Temporary Mood—Dodgers Manager Walter Alston's mood of dejection after the Minnesota Twins won the sixth World Series game did not last long. The Dodgers emerged victorious in the 7th game and captured the pennant.

5 Double Space Spectacular—Astronauts Wally Schirra and Tom Stafford got this view of the Gemini 7 spaceship December 15 while traveling in their Gemini 6 craft for their historic rendezvous adventure. Schirra and Stafford rode their red-hot craft back to earth the following day, but Gemini 7 completed a 14-day mission before its re-entry. Making the longest and most significant voyage in space in Gemini 7 were Frank Borman and James Lovell, Jr.

6 Plea for Peace—Pope Paul VI stood before the United Nations General Assembly in New York on October 4 to deliver his plea for

2

3

6

7

8

world peace. His unprecedented, one-day visit in the U.S. was the culmination of plans by men of all faiths.

7 After Surgery—President Johnson was photographed in a reclining chair at Bethesda Naval Hospital the day after his gall bladder operation on October 8. He conducted the work of his office from his hospital room and his Texas ranch during his recuperation.

8 Proud Student—Charles Craig, 19-year-old freshman at Iowa university, demonstrated his criticism of draft-card burning incidents by displaying his draft card on his jacket with the note: "I'm a draft card carrying American and proud of it." Our role in the Vietnamese war sparked the incidents.

9 Blackout—The glittering metropolis of New York City was thrust into darkness on November 9 by a massive power failure affecting hundreds of miles along the eastern seaboard. City residents and commuters were stranded in offices, railroad and subway stations for hours before service was restored. The crippling condition was caused by a faulty relay at a Canadian generating station near Niagara Falls.

10 New Ambassador—Arthur Goldberg was named U.S. Ambassador to the United Nations by the President after the death of Ambassador Adlai Stevenson on July 14 in London. Goldberg was secretary of labor under President Kennedy and a U.S. Supreme Court Justice when named to the U.N. post.

11 Startling Fashions—Bold and contrasting blocks of color were the youthful fashion note of 1965. The eye-catching designs even extended the length of campus stockings worn with the costumes.

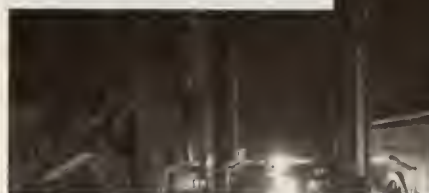

12 Royalty on Tour—Princess Margaret and her husband, Lord Snowdon, arrived in New York on November 4 for a whirlwind tour of the U.S. During their visit, they took time out for fun-filled activities such as a ride on a cable car in Frisco and gala parties in Hollywood and the nation's capital.

MANHATTAN HIGH SCHOOL
MANHATTAN, MONTANA

19
66

In 1924, the good stork brought a bundle of joy to proud parents in Bowman, North Dakota. None could know then what a full and active life this new son would enjoy. After attending high school and college in Dickenson, North Dakota, he continued his education at the University of Montana, preparing for a career in Education. 1943, World War II found him in Europe as an aerial gunner. He later married and became a father with the birth of a daughter, Carla. Three other children were to follow: Ronna, Holly, and David. His first flying lesson in 1948 marked the beginning of an interesting and enjoyable hobby.

In 1959, he was introduced to the students of Manhattan school system. His improvements, valuable leadership and guidance won for him the respect and admiration of the students and of the community.

It is to you, Mr. Mattson that we, the Seniors of 1966, dedicate this yearbook. By doing this, we wish to express our appreciation for your thoughtfulness, patience, and willingness to help us through four wonderful years.

"O human race, born to fly upward."
Dante

As the year neared the end, the class of 1966 became busy with graduation activities. Baccalaureate was on May 22 and of course the long awaited graduation of May 24. It was then that the 1966 graduating class changed its status from M. H. S. students to M. H. S. alumnus. There was the production of the yearbook, and of course, the annual Sadie Hawkins Dance. But the majority of their time was spent raising money for their sneak trip, through such activities as a chili supper and an intramural basketball tournament. The most enjoyable activity, however, was working on the Senior Play, "Arsenic and Old Lace." All in all, the Seniors were kept busy the entire year.

Senior Activities

- K. ARNOLD---Basketball Mgr. 2-4; Football Mgr. 2,3; Chorus 3,4; Band 3,4; St. Night 1-4; Senior Play 4; Growlers 2-4; Boy's State Alternate; M-Club 1-4; Track 1,2; Class V.P. 4
- K. BRAINARD---F. H. A. 1-4; Twirling 1-4; Drill Team 4; Pep Club 2-4; Annual Staff Sec. - Treas. 4; Librarian 4; St. Night 1,2,4; Senior Play 4
- R. BRAINARD---F. F. A. 1-4
- D. BROWNING---Honor Society 2-4; Growlers 2-4; F. H. A. 2-4; Snowball Queen 4; Annual Staff 4; Twirling 4; Librarian 4; St. Night 3,4; Senior Play 4; Homecoming Princess 2
- K. CLIFFORD---Pep Club 2,3, V.P. 2; Honor Society 2-4; F. H. A. 1-4, Dist. Songleader 4; Homecoming Princess 1; Twirling 1-3; Drill Team 4; St. Night 2,3; Student Council 3; Chorus 3, Allstate; Class Sec. -Treas. 2; Annual Staff 4

- S. VAUGHT---St. Night 3,4; Librarian 4; Drill Team 4

School Improvements

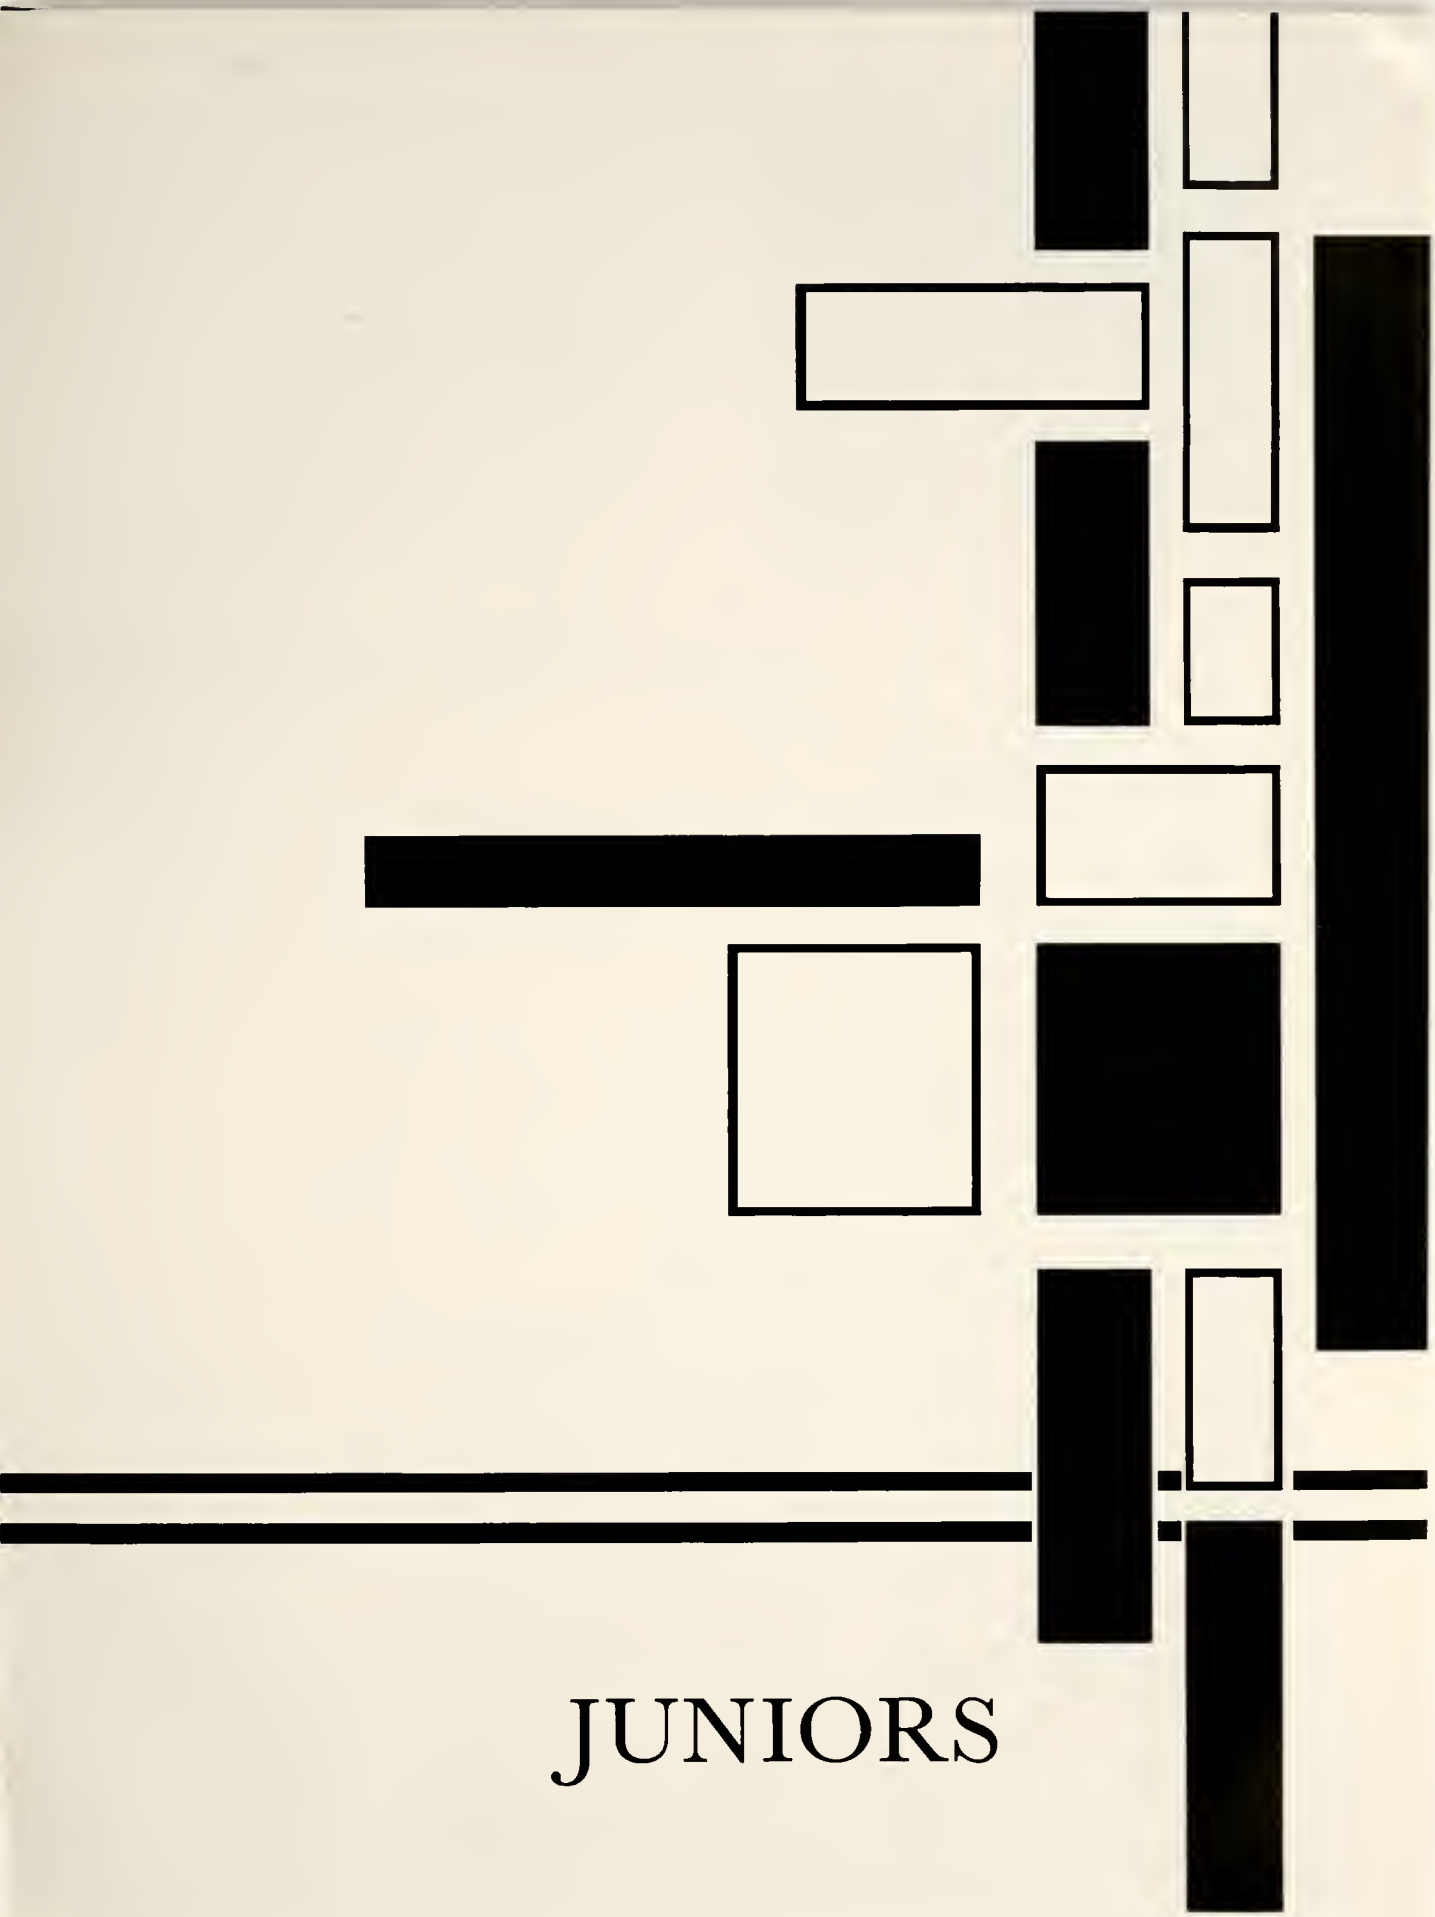

Last year, the community passed a \$17,000 bond issue for school improvement. This bond issue levied money for a new biology lab, and for converting the auditorium into a band room.

The new biology lab is one of the best equipped labs in the state of Montana. The students are no longer limited by the inadequate facilities available. Now their only limitation is their own ability. Our educational program has

been greatly improved in the biological science field because of this fine addition to our school.

The music department also received a welcome change. The old auditorium was completely sound-proofed, and several large closets were built to accommodate the band instruments. Now the ever-growing band has room to expand, and room to blow their horns!

The Class of 1967 enjoyed an active, successful year with B squad coach, Donald Skelton, and Math teacher, John Trask, as advisors. The year began quickly with football games and Homecoming. The Homecoming Dance proved to be a real success. Following Homecoming came the Junior Stunt Night. It was enjoyed by everyone and proved to be a good money making project. In a plan to make themselves more self-supporting the Juniors had car washes, candy sales, and bake sales. As the year came to a close the Juniors had the Jr. -Sr. Banquet for the graduating Seniors. Prom came a week later and all the hard work of decorating made the Prom a success.

The class of 1968 started off the year with quite a bang. Their first activity was to initiate the freshmen in to a new life of high school. The sophomores then sold these poor freshmen as slaves. The sophomore class officers, Bill Oyler, President; Duane Irej, Vice-President; Diane Collins, Secretary; and Bev Snyder, Treasurer, led this outstanding sophomore class through a thrilling year. The sophomores were quite proud of themselves when they won the intramural basketball tournament sponsored by the Seniors.

The student government of this school rests in the student council. Its membership is made up of representatives from the various classes and authorized organizations of the school. The main purpose of this organization is to represent the student body in all phases of school activities. An important achievement of the council this year was to com-

pletely rewrite the student council constitution, making the council a more effective body in student government. This organization should do all that it can to make our school safer, more attractive, and a more efficient place in which to work and play.

At Initiation—The Poor Freshmen Suffer

If ever a day existed on which Freshmen wished they were not Freshmen, it would be on Initiation Day. For several days prior to Initiation Day, a visitor to Manhattan might think the Indians were on the warpath. But there is no need to become alarmed. They are only Freshmen who have been painted with lipstick by upperclassmen. Initiation Day finds the Freshmen dressed in the height of fashion, and the last hour is devoted to humiliating them in front of the student body. Nevertheless, they usually live through it to become good high school students.

Activities

Homecoming activities got underway on Thursday night, October 14, as the "A" cheerleaders led the students on a snake dance through Manhattan. A lively pep rally at a huge bonfire on the edge of town set the school spirits high.

Then Friday, October 15, the Tigers faced the Belgrade Panthers on the gridiron, but went down to defeat 13 to 42.

After the game was the long awaited dance sponsored by the Junior Class. Music for the dance was provided by "The Hustlers."

FFA-FHA Banquet

Several of the guests enjoying the banquet.

On November 18, 1965 the annual FFA-FHA Banquet was held. The banquet room was decorated with artificial flowers made from green and blue feathers. The program included reports from Sandy Grue and Lonnie Crawford on their respective national conventions, as well as explanations from the FHA and FFA members on the goals of their chapters.

The eighth grade girls and several high school girls served a delicious meal of roast beef, green beans, jello salad, relishes, and rolls with sherbet and wafers for desert.

Now the work begins.

DANIEL FENNO
Valedictorian

CYNTHIA SKINNER
Salutatorian

A large throng gathered in the Manhattan High School gymnasium to witness the graduation of the Class of 1966. Commencement speaker was Dr. Melvin S. Monson, Professor of Education at Montana State University.

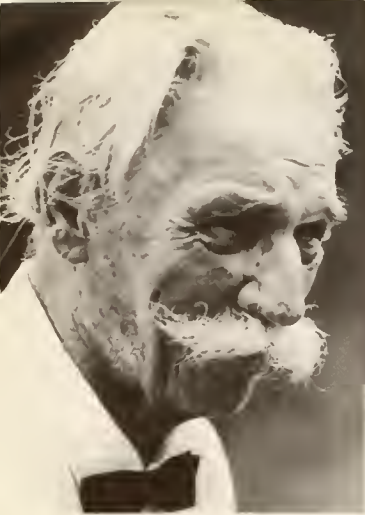

Editor's Message

The development of an annual is a time consuming, yet rewarding job. My aim and desire throughout the construction of this book has been to capture the highlights of school life during the past school year. In doing so, I have incorporated many new ideas, blending these with the traditions of the past.

I sincerely hope that you will enjoy your 1966 "TIGER" to its fullest!

Thank you,
DAN FENNO

World News—1965

1 Humanitarian Dies—Dr. Albert Schweitzer died in September at Lambarene, his primitive hospital at the African jungle outpost of Gabon. The famed physician, who reached his 90th birthday in January, worked most of his life to relieve the suffering of jungle natives.

2 Queen Speaks—Queen Elizabeth II dedicated the John F. Kennedy memorial at Runnymede, England on May 14. Mrs. Kennedy is seated to the left and Prince Philip to the right of the queen. Carolyn Kennedy is seated between the queen and her mother, and Sen. Robert Kennedy stands behind Mrs. Kennedy.

3 Miss Universe—The reigning queen of beauty in the universe during the year was a representative from Thailand.

4 Bosch Returns—Former Dominican Republic President Juan Bosch was vehement in his address at a rally September 25, shortly after his return to Santo Domingo.

5 Wins in Run-Off—Charles deGaulle polled 55.2 per cent of the vote in a run-off election against Francois Mitterrand on December 19. The vote gave DeGaulle the French presidency for another 7 years, but the strength of the Socialist-Communist candidate corroded the popularity of the 71-year-old president..

6 Agrees to Cease-Fire—Pakistani Foreign Minister Zulfikar Bhutto (right) agreed in the U.N. Security Council on September 22 to accept the Council's cease-fire order in the undeclared war between Pakistan and India. Pakistan's announcement came after India had agreed to the order.

7 Abortive Coup Fails—Indonesian President Sukarno was toppled from power for a brief 20 hours last fall. He gestured at a cabinet

meeting on October 6 during his first public appearance after the coup, which seriously shook his one-man rule.

8 Soviet Winner—Russian author Mikhail Sholokhov was vacationing in the Ural region on October 18 when he heard he had been awarded the 1965 Nobel Prize for Literature. The December award ceremony was held in Stockholm.

9 Return to Desolation—Hundreds of families returned to the wreckage of their homes, destroyed by eruption of Taal volcano, south of Manila, on September 28. Volcanic ash covered a six-mile-square area. The death toll was estimated at 500.

10 Price of War—The number of casualties increased as the U.S. stepped up its military action in Vietnam. American advisors took part in many helicopter missions, carrying wounded soldiers, both Vietnamese and American, to copters on makeshift litters for evacuation to Saigon.

11 Reason to Celebrate—Chancellor Ludwig Erhard of West Germany waved to a cheering crowd in Bonn after his Christian Democrats surged to victory in the September 19 parliamentary elections. Mayor Willy Brandt's Social Democrats suffered defeat in the voting.

12 Colonial Rule Shaken—Rhodesian Premier Ian Smith broadcast a proclamation of sovereign independence for Rhodesia on November 11. The split from Britain was made in an attempt to insure a white minority rule of the African colony. It was the first such move against Britain since the American colonies broke away in 1776. Britain retaliated swiftly and took the problem to the U.N. Security Council, which asked all nations to enforce an oil embargo against the African colony.
